

Naturens Uge

1. - 7. september

A photograph of three children in a forest. On the left, a girl with long brown hair is looking down at a small glass container she is holding. In the center, a boy with short dark hair is looking towards the right. On the right, another boy with long blonde hair is looking down at a small glass container he is holding. They are all wearing jackets and appear to be engaged in a nature activity. The background is a dense forest with green foliage.

TID TIL AT KOMME UD

Tag en pause fra skærme og skemaer – og kom med ud!
I Naturens Uge hylder vi naturen ved at give den tid.
Tid til at mærke vinden, lytte til fuglene, lege i
skovbunden, dele oplevelser og skabe forbindelser
– til naturen og hinanden. Alle kan være med!
